

## PRESS QUOTES

“Stay High” is a wonderful slice of fuzzy power pop. It’s almost impossibly upbeat and just filled with killer harmonies with a punk edge. It’s the kind of song that’s going to just cram itself into your skull for many, many days, so be prepared for that. This is just a ridiculously fun song... I just wish I had discovered Radio Compass earlier than now.”

If It’s Too Loud

--

“A rockin’ group of incredibly talented folks that bring us no shortage of satisfying riffs and hooks that will invade your brain for days to come (in the best way)...no shortage of things to love...”

Harmonix

--

“Radio Compass brings comfortable listening relief with the familiarity of the Riot Grrrl influence in their sound, while carving out a unique space for themselves.”

Struggling Artist Podcast

--

“Aloha comes across delightful and honest to it’s core... a very unique approach to their mixture of Pop, Punk, Garage, Alternative and a light hardcore influence...highly recommend to all”
